

What is BOCES?

BOCES stands for the Board of Cooperative Educational Services. It is a joint venture between Western Wyoming Community College, other state junior colleges, and Carbon County School District 2, to support and develop beneficial programs throughout the district.

Student Goals

- Offering more concurrent and dual enrollment courses to high school students
- Providing students the opportunity to participate in cutting edge vocational classes
- Offering certificate training to students, such as welding or CNA training

Adult Learner Goals

- Offering GED and H.S. equivalency preparation
- Assisting adult learners in the community seeking higher education
- Creating a testing center
- Offering technical training, such as computer courses, or vocational certification

Vision: Increasing Education Opportunities for CCSD2 Community and Students

Carbon County School District 2 BOCES
